

MULTIPLE FOR 4X LED GE

Twenty years after its initial launch, Multiple is still a coveted luminaire. The technology is on full display, allowing this luminaire to fit well into both a minimalist and an industrial-chic environment. The gimbaled system allows you to direct the light source at any angle of your choice. A unique feature by Modular. Multiple can be installed recessed or surface mounted. The 'AR111' recessed variants can also be combined with the new M-LED 111.
