

MARBUL RECESSED 115 1X LED WARM DIM GE

The iconic Marbul portfolio is specifically designed with the renovation market in mind, suiting any space and integrating into existing infrastructure with ease. Marbul recessed reveals nothing but a thin trim of 5mm and 1 or 2 spheres that peek out gently from the ceiling. Flexible installation accessories such as the conbox and gypkit enable installation in concrete ceilings. A re-engineered design invites more warmth, with interchangeable magnetic reflectors in aluminium, champagne or gold colours. Warm dim technology lets you play further with light intensity and colour temperature. Test Marbul's remarkable adjustability with a simple twist of the lamp units –360° rotation and approx 45° inclination– and create your expression.

Art. Nr.14222409

SPECIFICATIONS

Lamp	1x LED Array 12W
Gear / Transfo	LED gear not incl.
Cut-out size	ø 108 h 100
Weight	0.95kg
Min. distance	0.1 m
Power supply	350mA
IP	IP20
Glow wire test	960°
Lifetime	L80 B20 @ 50.000 hrs
CRI	90
CIE flux code	100/100/100/100/94
Lumen	955 Lm
Efficacy	80 Lm/W
UGR	14
Adjustability	h 360° v 45°

	WARM DIM 1800K - 3000K / CRI 90+
black struc	14222432
